Narratives

On 28 September 2007 at approximately 0152 hours, Officers Aziz and Rooney (C101a) were on general patrol in the Southern Ave Darlington St area in a marked cruiser while in department uniform. Officer Aziz observed a black male operating a motorized scooter down the middle of Darlington Ave without a helmet. This male looked at the officer and then changed directions quickly, now riding on the sidewalk. The black male crashed into the front bushes of 22 Darlington St. The black male hopped off the scooter and began to walk up the stairs of 22 Darlington St. The black male then walked back down the stairs and walked his scooter to the next address of 20 Darlington St. Here he walked up the stairs and then got on his cellphone after looking around, mainly at the officers. The hispanic male did not enter the residence. Officer Aziz exited his marked cruiser and approached the male operator asking him for his ID. The subject stated he did not have an ID as he had just come out of his house. Aziz asked where his helmet was to which he stated he must have left it at home. Aziz asked for his information verbally to which the black male identified himself as Darius Cartar DOB [REDACTED] 90. When asked how old he was he replied, "16." The manner in which the subject was answering questions was evasive and untruthful as the subject tripped over his words and repeat, "ummm", after each question was asked. In running the provided information through the cruiser CJIS computer, no information came back identifying and confirming Darius's information. Aziz asked Darius for more information to which Darius was hesitant and tripped over his words. At this time C102a (Marando and Cullen) as well as C202a (Coleman and ODonnell) arrived on scene to assist. Officer Aziz then asked Darius what his brother's name was to which Darius stated, Diovanni Carter. Officer Aziz asked what his birthday was to which he replied he wasn't sure. Officer Aziz then contacted B-3 booking officer Sam Berte and asked him to run a name search for a DOB on Diovanni Carter. Officer Berte stated the date of birth was [REDACTED] 89. In running this information for a warrant check, it was discovered there was an outstanding DYS/Parole arrest warrant for Diovanni. Extradition across the country was stipulated on the warrant. Officer Aziz confronted the hispanic subject with this information. At this point, the subject admitted that he had lied and that he was in fact Diovanni Carter DOB [REDACTED] 89. He was subsequently arrested for the warrant (DYS/Parole violation warrant #W7188801 NIC#: W573023844 which was entered into NCIC on 09/11/2007). C202a (Coleman and ODonnell) transported Diovanni Carter back to B-3 for booking. C101a (Aziz and Rooney) stayed on scene to await for the tow of the scooter. The scooter was towed by Road Runner claim check number 5847. Diovanni Carter was issued a verbal warning for not wearing a helmet while operating a motorized scooter as well as operating an unregistered scooter. Boston Tow line, Hussian, was advised of the tow. Booking officer Berte contacted DYS/CIC at [REDACTED] and advised them of the arrest. DYS requested we transport Mr. Carter to their facility located at Harvard street Dorchester. C101a performed

this transport after Mr. Carter was booked and afforded his phone call. FIO report completed.

Narratives

At about 10:57pm, on Tuesday, 1/13/08, members of the Youth Violence Strike Force (VK06: P.O.'s Resil, Fabiano and DYS Officer Shields) did arrest the above suspect on an outstanding warrant issued by Department of Youth Services (REF #W7486499-Escape from Custody) and for unlawful possession of ammunition (269-10H) and possession of a Class D substance at [REDACTED]. Officers, while in the area of Codman Square, developed information regarding the whereabouts of a wanted individual known to the officers as Diovanni Carte [REDACTED]. Officers were aware that this suspect was wanted for escape from a Department of Youth Services Facility while using force. Officers, relying on this information, believed that the suspect was inside his grandmother's home at [REDACTED]. Upon learning of this information, officers called for their immediate supervisors and notified them of this information. The VK902 (Sgt. Foley) and the VD985 (Sgt. Det. Fitzgerald) responded to the scene. Also responding at this time were the VK07 (P.O. Ross, Serra, Tpr. Foley), VK805 (Det. Donga), and VK808 (Det. Brooks). Sgt. Det. Fitzgerald and Sgt. Foley then went to the front door of [REDACTED] and rang both the first and second floor doorbells. A short time later a female later identified as Carol Majors descended down the stairs from the second floor apartment. During a discussion with Carol Majors, officers were able to confirm that Carol Majors knew her grandson was wanted and she further knew that he (Diovanni Carter) was in apartment #1 of [REDACTED]. Sgt. Foley then requested a District 3 patrol supervisor to respond. Sgt. Det. MacDonald (C983) and Sgt. Doherty (C909) responded. With the assistance of Sgt. Det. MacDonald (C983) officers were then granted entry into apartment [REDACTED] by Diovanni Carter's mother, Lorie Majors. Lorie Majors directed Sgt. Det. MacDonald and Fitzgerald to a stairway located in the rear of the dwelling that led to a second floor bedroom. As Sgt. Det. Fitzgerald ascended the stairway he announced his office as "Boston Police" and announced that if persons upstairs did not show themselves a Police Dog would be released upstairs. In response to this several voices shouted "He's right here." At this time officers entered the second floor bedroom and located Diovanni Carter sitting on the bed. Officers also located three additional males and five females. Diovanni Carter at this time was shoeless. As officers waited for Mr. Carter to put on his shoes Sgt. Det. Fitzgerald observed on the floor of the bedroom in plain view two open plastic bags of a green herb-like substance believed to be marijuana spilled onto the carpet. Sgt. Det. MacDonald observed in plain view a plastic bag on an entertainment center containing in excess of fifty smaller plastic bags embossed with an apple logo. Det. Donga observed in plain view a "Speer" .40 caliber ammunition box inside a broken stereo speaker. Diovanni Carter was then escorted out of the room and outside of the house to be transported to District B-3 for booking. At this time the transporting officers (Hassan & O'Hara) did locate in Mr. Carter's front left inside jacket pocket four .38 caliber rounds. Sgt.'s Fitzgerald, MacDonald, Foley, and Doherty were immediately advised of this evidence. Officers then had all persons present within the second floor pat-frisked and checked for warrants. All parties then left the apartment. Officers then notified Carol Majors that they would be posting an officer outside the bedroom and were "Freezing" the second floor bedroom while officers sought a search warrant. Carol Majors then asked Sgt. Det. Fitzgerald if she spoke to her daughter and was granted consent by her daughter (Lorie) would the officers consider searching the room immediately. Sgt. Det. Fitzgerald then read Lorie Majors her Miranda warnings in the presence of Sgt. Det. MacDonald and Carol Majors. Lorie Majors acknowledged her Miranda Warnings both verbally and in writing. Sgt. Det. Fitzgerald then gave Lorie Majors a preprinted consent to search form that she read and signed. In the presence of Sgt. Det.'s Fitzgerald and MacDonald Lorie Majors consented to a search of (Diovanni Carter's bedroom on the second floor of apartment [REDACTED]). Officers then proceeded to the second floor bedroom where Det. Donga seized the loose marijuana and two plastic bags from the floor. Det. Donga seized the package of "apple" ziplock baggies from the entertainment center. Det. Donga seized the box of "Speer" ammunition from within the stereo speaker. The box of ammunition was labeled "SPEER Gold Dot high performance ammunition." The box had a label designating the ammunition as 40 S&W, 180 GR. GDHP with the numbers 53962 and J20E21. The box contained two hollow point .40 caliber rounds. Det. Brooks photographed the evidence. Officers secured the scene at 00:09. The drug evidence was logged into drug control log book # 65 page # 6. The ballistic evidence and ammunition box were printed by Det. Donga. The ballistic evidence was placed in the District 3 gun locker. The other evidence was logged in the District 3 evidence locker by P.O. Resil.

About 12:42 AM on Tuesday, December 8, 2009, Officers Velasquez, Quinn, and Cole in the B623A, B622A, and the B624A units observed a MV at the intersection of Dewey St and Blue Hill Ave, Roxbury, interacting with known prostitutes in the area, which resulted in a drug arrest with the intent to Distribute Class B and D. Officers first observed a grey MV sedan type parked on Dewey St at Blue Hill Ave with the brake lights on with a couple of known prostitutes in the area. Officers Velasquez, Quinn and Cole are all on the Blue Hill Ave impact team which focuses on criminal activity in the area of BHA between Dudley St and Grove Hall. Officers are very familiar with all working girls in the area. Officers then parked at the intersection of Dacia and Dewey when the MV came down Dewey and turned left onto Dacia St. When the MV passed the officers, officers observed the MV to have a cracked windshield. Officers initiated a 3 point turn as the MV quickly began to pick up speed and turned left onto Ingleside St without using a turn signal. Officers then observed the MV on BHA towards Clifford St at a high rate of speed. Officers activated lights sirens well before the intersection of BHA and Clifford as the MV continued to speed, the MV turned onto Clifford St at a high rate of speed and continued to speed on Clifford St. The MV finally came to stop at the intersection of Warren St and Clifford. The operator, later identified as Diovanni Carter, was order out of the vehicle for various violations of the auto laws including failure to stop for police. Officer Velasquez observed Mr Carter to have his hand in his left pant pocket where there was a large bulge in his pants. Mr Carter was pat- frisked for officer safety, in Mr Carters left hand pant pocket Officer Velasquez found two plastic sandwich bags. One plastic bag contained five smaller individually wrapped white rock objects believed and consistent to be crack cocaine. The other plastic bag contained five smaller bags with green leafy vegetable matter believed and consistent with Marijuana. Mr Carter was also in possession of \$200.00 of USC which was located in his rear pant pocket. Mr Carter was immediately placed in restraints as the passenger identified as Shalik Jordan was pat frisked queried, and later released from the scene. Mr Carter was secured in the B201A unit (Dervan and Perry), K-9 Officer Fisher responded to the scene for and assisted with the drug investigation. No additional narcotics were found. The BK01A unit Officers Dodd and Hancock also responded to assist. Officer Cole observed Mr Carter bending forward and then arching and twisting his back on the surveillance camera in the B201A unit, consistent with a person having additional narcotics concealed on him. Officer Velasquez advised Mr Carter of his rights while he was secured in the rear of the B201A. Officer Velasquez searched Mr Carter again as he made a spontaneous utterance "that's all I had on me... I don't have anything else... there is nothing else on me." The utterance was directed towards Officer Velasquez and witnessed by Officer Dodd. The B201A unit transported Mr Carter back to District B2 for booking. During the booking process Mr Carter was in possession of \$200.00 in USC, located by Officer Velasquez witnessed by Officer Cole in his right rear pocket. The USC was seized and logged into the central cashier's office. The MV MA reg 33RR81 was towed by Jan's Towing Claim Check #5440. The tow line was notified and verified by Delufo, MV inventory form completed, tow tog also completed and filed. Officer Quinn issued Mr Carter MV citation #M-8809143 for various moving violations which was placed in his property. Narcotics evidence was logged into the District B2 Drug Control Log #145 page 5 and secured in the B2 drug depository. Mr Carter's cell phone was seized. Criminal complaint forms were completed and filed with Roxbury District Court.

Narratives

On 3.3.2016 at about 1:24 AM Ofc's Lanteigne and Robichaud (CK01A) along with Sgt Brooks (C903) were on patrol in the area of Norfolk Street at Whitfield Street when they observed a blue Toyota Camry (MA PC 7FBE20) with illegal window tint that Ofc Robichaud immediately recognized to be frequently operated by Diiovanni Carter dob [REDACTED] 89 from [REDACTED]. It should be noted that on 1.22.16 Ofc Lanteigne and Robichaud had stopped and cited Diiovanni Carter for the same illegal window tint on the same vehicle (which was measured at that time with a tint reader and found to be in violation). The vehicle was also observed to be missing its driver's side mirror, due to damage. Officers immediately turned on their blue lights just prior to the intersection of Norfolk Street at Oakwood Street and observed the brake lights of the vehicle immediately illuminate, indicating the operator observed the Officers blue lights. The vehicle slowed down but did not pull over at the first available open spaces on the right hand side of the roadway but rather continued to travel at a very slow speed. Officers observed the silhouette of a head (later identified as Diiovanni Carter) rise up from the passenger's seat then disappear. The vehicle continued to proceed forward at a very slow pace and not pull over for another short distance before finally coming to a stop at the intersection of Norfolk St at Chipman St. Officer Robichaud (who was driving), illuminated the cruiser spotlight through the window and was able to recognize the front passenger as Diiovanni Carter when he had looked back. Once stopped Officers observed Diiovanni Carter's body rise back up, look back at the Officers then bend down to his left and again out of sight. Due to the above concerning movements and for safety concerns (by Carter), Ofc Lanteigne immediately notified operations of the stop, and requested another unit of officers who were in marked cruisers and uniforms, to assist them. Then the Officers approached the vehicle. Officers Prior Knowledge of Diiovanni Carter: Officers are aware that he (Diiovanni Carter) associates with individuals who have been involved in violence and firearm activity from Codman Square, and who have been referred to as Hitfam. Officers have had personal dealings with him and arrested him in the past. He has been both the suspect and the victim of firearm violence. He has been shot at least twice that the officers are aware of; within just the last year. He was shot on 02/26/15 (CC#152053193), and then shot again multiple times just three months ago on 12/16/15 (CC#152103817). He lives at [REDACTED], and that address has recently been an ongoing concern for Officer Safety threats against Law Enforcement from individuals living at that address. These threats have been recent. In the last month, these incidents have included, yet not been limited to: (1.) On Feb 6th, 2016, both of his brothers and his uncle confronted the police and one of them (Karriem Lopes) threatened to shoot the police in the future and made references to law enforcement being killed. His other brother (Darius Carter) made similar threats and was arrested on a warrant. During this same incident, his uncle (Clarence Sanders) insisted on a fist fight with an officer whom he made numerous attempts to intimidate (CC# 142059679.) (2.) A few nights after this incident, the same officers stopped his uncle (Clarence Sanders of [REDACTED]) during a traffic stop; and during that time, he mentioned that his family did not respect law enforcement, and that he reminded the officers that his intent would be to fight any police who attempt to touch him. He then made a specific reference to the make and model of the officer's personal vehicle. (3.) On Feb 15th, 2016 Darius Carter announced to police that he had guns and that he planned to kill a cop. (CC# 162012205). (4.) On Feb 27th, 2016, that same brother referenced that he had, in his house, multiple guns, and that one of them specifically looked like the "same guns that officers carry" (CC# 162015663). Specific to Diiovanni Carter, Ofc's are aware that Diiovanni Carter has a history of firearm convictions and has in fact been arrested for Murder in the past. Based on his seriously violent criminal record which includes Homicide and multiple gun charges; as well as the fact that he has been heavily targeted for violence over the last year (as recently as just the last few months) where the officers would fear that he may potentially arm himself with another gun to defend himself from further attacks; as well as the fact that three separate members of his family have threatened to kill or fight law enforcement within just the last month; the officers (during this vehicle stop) had a uniquely high concern for their safety. Upon Approaching the Vehicle: The Ofc identified the operator through her MA ID as Shaatrona Sims dob [REDACTED] 90. Ofc Robichaud asked Sims if she had a valid license or if it's just an ID and she stated it was

just an ID card. Sgt Brooks who was at the passenger side window, observed a male whom he knew to be Giovanni Carter, and that Carter did not have a seat belt on, and he appeared to be sleeping. This was concerning, based on the fact that he had just been seen to be briefly yet actively moving, and now remaining frozen and seemingly asleep. And so, in order to ascertain his registry information, he requested ID from Carter who sat up, gave Sgt Brooks his license then laid back down in a full recline position. Ofc Robichaud returned to the cruiser to check the status of Mrs. Sims' license and Ofc Lanteigne asked Sims where they were coming from and she stated Cambridge. Officer asked Carter why Sims was driving if he had a license and he said it was because he was tired. Ofc Robichaud returned to the vehicle and advised Officers that he confirmed that Sims was in fact unlicensed. Officers Lanteigne and Brooks remained vigilantly close to his car to monitor Carter closely and to restrict his movement while they awaited backup. Ofc Gomes (C411A) arrived and now that backup was on scene Officers asked Carter and Sims to exit the vehicle so that the Officers could perform a frisk of Carter and the vehicle. Ofc Lanteigne spoke with Carter and Sims while Ofc Robichaud and Sgt Brooks frisked the vehicle. Sgt Brooks then observed the center console area near the shifter, did not appear naturally fastened indicating it had previously been opened and shut. Sgt Brooks, with minimal effort, lifted the console and observed a black semiautomatic firearm. He alerted the other officers who immediately handcuffed Carter and separated him from Sims. Sgt Brooks, in the company of Ofc Robichaud read Sims her Miranda from a card and she verbally stated she understood. She was asked if she had anything illegal in the vehicle and she stated no. She was asked if she knew if Mr. Carter had anything illegal in the vehicle and she stated no. Sgt Brooks then advised her that, upon stopping the vehicle, Officers had observed Carter (who was in a full recline "seat back" position), pop up and look back at the Officers, and then bend over and lean down to his left, and then pop back up a few seconds later, look again (back at the officers), and then lay back down and pretend to sleep after covering himself with a sweatshirt. He then asked her if he (Carter) had possibly hidden anything, and she said that she did not know of anything. Ofc Lanteigne, in the presence of Ofc Gomes read Carter his Miranda rights (from Sgt. Brooks' same Miranda Card) and asked if he understood his rights and he stated "yea." Officer Lanteigne asked Carter whose vehicle it was and he stated it was his family's car. Officer asked how often he drives it and he stated "every now and then." Officer asked what he did tonight and he stated that he drove to pick her up (referring to Sims) then come here. He was then placed into the rear of Ofc Trull and Houseman cruiser and transported to B3 for booking. Sims was also placed under arrest and transported by Ofc's Miller and Smith (C202A) to B3 for booking. Sgt Brooks requested Special Operations to respond with a Thermal Imager and Ofc's Hicks and Williams (TG02) responded and photographed the firearm (see their report.) Canine Ofc Lawton (TE513) also responded and assisted. Sgt Brooks then photographed the firearm, vehicle and scene. Officers Seized the following 5 phones which were turned over to detectives (a white i-phone 6S, a black ZTE, a black Lg, a blue i-phone 5C, and a black Lg Boost Mobile.) Officers also seized one document from the vehicle in the name of Giovanni Carter which was entered into property. Officers also noted two digital scales inside the vehicle. At booking officers noted \$2,309.00 which was recovered from Giovanni Carter. The money was folded into 23 separate stacks of (5) 20 Dollars Bills with a rubber band holding all the stacks together. The vehicle was towed by Always Open, claim #20035 (Form 2012 completed / Rodriguez notified.) Per Sgt Detective Fitzgerald the vehicle was then towed by Auto Service and Tire to B3, claim #41249. Once at the station, Sgt Brooks cleared the firearm and observed that it was a Glock 9mm, Serial #BED291. The firearm contained an inserted 10 round magazine that was empty, however, the firearm (with chamber) would be capable of holding 11 rounds. He then turned the firearm over to Sgt Detective Fitzgerald (C983) who fumed the firearm and it was submitted as evidence. Detective Williams (C810) responded to the station and assisted. It should be noted that the firearm recovered closely resembles (by color, physical size, and make) the same firearm that Officers carry as threatened by Darius Carter to Officers in the statement referenced earlier in this report. Sims was charged with the following offenses: Arrest Citation #R6702534 and R6702535 was issued to Sims for Unlicensed Operation 90-10 Operating Unlicensed 90-9D Excessive Window Tint and 90-7 Operating with Broken (Missing) Driver's Side Mirror. Carter was charged with the following offenses: Arrest Citation #R6702533 was issued to Carter for 90-13A for Seatbelt Violation and 90-12 Allowing Unlicensed Operation and he was charged with the additional criminal offenses: 269-10a Unlawful Possession of a Firearm 269-10m Possession of a Large Capacity Firearm 269-10G(a) Armed Career Criminal (dkt #'s 1011125001, 0907cr000271a, D105d1232, 0902CR005690E.) 4. 269-10d Prior Firearm Convictions (Dkt #'s 1011125001, 0907cr000271a, D105d1232)

About 7:20 am, Tuesday, 09/06/2016, Officers Robichaud, Lanteigne, and Poulos in the CK01A unit made an on site warrant arrest of Giovanni Carter () at Nevada St and Codman Hill Ave. Officers placed Giovanni Carter under arrest by virtue of a Straight Warrant issued from Suffolk Superior Court by the Honorable Anne Kaczmarek on 8/19/2016. Warrant # WR5247338TC was issued for 269/10/K Firearm, Carry without License, 2nd Off. Warrant unit notified via Fax.
